

Bugling Winds Outfitting

PAYMENT / REFUND POLICY

We require a \$1,500 deposit per hunter to begin the process of reserving hunting dates. We will not consider your hunt dates confirmed until we receive your \$1,500 deposit. Once you draw your tag we will contact you and go over any questions you may have. The remaining balance of your hunt will be due in full by July 1st.

Refunds of Deposits:

1. Failure to draw a license.
2. In case of a incapacitating illness or injury of the licensee supported by a physician sworn statement and an “official notification” letter from the Wyoming Game and Fish Department. If the Wyoming Game and Fish states that your unused tag may be used to hunt the next year, the deposit will be applied to your hunt the following year.
3. In the case of the death of the licensee, any person who has the authority to represent the decedent as provided by court order shall submit a written request for a deposit refund supported by a copy of the respective death certificate.

Clients must notify the outfitter of their intentions in writing by postal mail. All refunds will be 100% and made within 60 days of paperwork.
